Subject: Access arrangements for 1st Floor Luck House

Importance: High

Hi Everyone,

Have had a chat with Rob Fay and Melinda Scash.

Here is the info. relating to access for asbestos removal at Luck House:

1. Removal can take place on the 1st floor southern end of Luck on Wednesday the 28th November.
2. Students will be located on northern gnd floor end of Luck House on Wednesday the 28th.
3. Removal can take place on 1st floor northern end of Luck House on Thursday the 29th November
4. Students will be re-located to southern gnd floor end of Luck House on Thursday the 29th November
5. **No asbestos can be removed on Friday the 30th November until 1.15pm.** If Contractors would like to make up this lost time, they may choose to work into the evening on Friday the 30th.
6. As per stage 1 protocol, all removalists are to decontaminate before exiting 1st floor enclosures. Everyone is to be in plain clothes after they have exited the first floor enclosures. NO suits to be worn downstairs or on gnd level areas of Luck House.
7. All asbestos waste from 1st floor northern and southern ends of Luck House is to be wrapped, sealed and contained in the enclosures until Friday 2.00pm. Loading waste into EPA registered vehicles/skips can be carried out after 2pm on the Friday the 30th November.
8. Staff may be seen on-site next week, no access allowed to removal areas and removal exclusion zones.

Regards,
Sam from SLR Consulting
